The Ruth Newman Shapiro Cancer & Heart Fund (RNS) has two wonderful summer luncheon events planned. The first, “Always In The Pink” will feature beautiful designer tablescapes on Tuesday, July 24 at The Greate Bay Country Club in Somers Point. Ellen Kravet Burke is the honorary chairperson, and Pedro Rodriguez is the Design Chair. Tickets for “Always In The Pink” Celebration Luncheon and Fantasy Tablescapes Exhibition are \$60 per person.

Sally Morse will be the guest speaker. She is the Director of Creative Services for Hunter Douglas. Sally is internationally recognized for her work in the interior design field. Most recently, she was honored with the 2008 International Window Coverings Expo (IWCE) ‘Window Fashions Industry Icon’ award. Frequently a featured guest on TV and radio programs, she also contributes articles on interior design to magazines such as *Better Homes & Gardens*, *Windows and Walls* and *Real Simple*. As well as attending the leading industry trade shows in Paris, Brussels, Frankfurt, Canada, the Middle East, Russia and the Pacific Rim, Sally also travels extensively as a consultant and lecturer.

Ellen Burke Kravet, honorary chairperson, is the marketing head of Kravet Inc., a fourth-generation family business that is a household name to anyone even casually aware of the world of interior design, fabrics and furniture. Kravet fabrics were recently designed specifically for First Lady Michele Obama’s Congressional Club Luncheon, an annual gathering of House and Senate spouses in Washington, DC. As

part of the day’s festivities, a presentation of Fantasy Tablescapes, designed by past RNS ‘Show House at the Shore’ interior designers will be featured. Pedro Rodriguez, FASID will serve as Honorary Chairman of the Fantasy Tablescapes Exhibition.

 Traditionally, the very popular annual RNS “Bag Ladies Luncheon” has been held in September. This year, it will be held

at the Greate Bay Country Club in Somers Point, NJ.

Tickets are \$50. Attendees have the opportunity to bid on a fabulous collection of designer bags followed by a wonderful lunch and presentation of awarding bidders.

This fun event features a silent auction of “gently used” and brand new handbags contributed by members of the community and from local and national merchants. Attendees enjoy a day of female camaraderie and are thrilled with the “bargains” available to them!

Joanne Kenny, RNS President, applauded the efforts of the organization’s many members and volunteers. “Their efforts and support ensure our financial commitment to the continued expansion of programs and services for residents of southeastern New Jersey with cancer or heart disease. With the number of uninsured and under-served people rising in our region, the support of RNS for these programs and services guarantees availability and access to quality healthcare for all.”

Proceeds from the “Always In The Pink” Luncheon and Fantasy Tablescapes Exhibition and The Bag Ladies Luncheon will benefit the RNS Regional Cancer Center and the Heart Institute at the AtlantiCare Regional Medical Center; the RNS Linear Accelerator Suite and Cardiac Care Unit at Shore Memorial Hospital; Oncology Patient Services at Cape Regional Medical Center; and the Patient Van Service for the RNS Cardiac Pulmonary Rehabilitation Program at the Bacharach Institute for Rehabilitation.
